

**Covering Notes for Application by Health Care Provider for Enrolment in
the Health Care Voucher Scheme, Vaccination Subsidy Scheme,
Residential Care Home Vaccination Programme and Primary Care Directory**

(Please read these notes carefully before completing the Application Form)

1. To apply to enrol in any of the schemes/programme below, you must complete and sign the Application Form at Appendix A and provide all required information and documents. You should indicate clearly in Part I of the Form the schemes/programme that you apply to enrol. For enrolment in Health Care Voucher Scheme (“HCVS”), Vaccination Subsidy Scheme (“VSS”) and Residential Care Home Vaccination Programme (“RVP”), you must also complete and sign the Authority for Payment to a Bank at Appendix B together with the required information and documents.

- (a) The HCVS provides health care vouchers for eligible Hong Kong elders to partially subsidise their use of primary health care services in the private sector in accordance with the details set out at Appendix C. A brief introduction of HCVS is provided at the website: www.hcv.gov.hk.
- (b) The VSS provides vaccination subsidy to Hong Kong residents in accordance with the Schedules at Appendix J. A brief introduction of these vaccination subsidy schemes is provided at the website: www.chp.gov.hk.
- (c) The RVP provides free vaccination to residents and/or health care workers of residential care homes in accordance with the Schedules at Appendix K. A brief introduction of RVP is provided at the website www.chp.gov.hk
- (d) The Primary Care Directory (“PCD”) is a web-based electronic database containing practice information and professional qualification of primary care providers in the community to facilitate the public to search for suitable primary care providers in accordance with the details set out at Appendix F. A brief introduction of the PCD is provided at the website: www.pcdirectory.gov.hk.

2. A registered medical practitioner within the meaning of the Medical Registration Ordinance (Cap. 161) who holds a valid practising certificate issued under that Ordinance practising in the private sector may enrol in any or all of the above schemes/programme in paragraph 1.

3. A registered dentist within the meaning of the Dentists Registration Ordinance (Cap. 156) who holds a valid practising certificate issued under that Ordinance and a registered Chinese medicine practitioner within the meaning of the Chinese Medicine Ordinance (Cap. 549) who either holds a valid practising certificate issued under Cap. 549 or is registered under section 85 of Cap.549 practising in the private sector may enrol in HCVS and PCD.

4. Apart from registered medical practitioners, registered dentists, and registered Chinese medicine practitioners, the HCVS is also open for enrolment application for healthcare providers in any of the following professions practising in the private sector:
